The USAID/Sudan is seeking a Sudanese National or Ordinarily Resident citizen of Sudan for the position of Project Management Specialist (Food Aid) in the Food for Peace office at USAID Khartoum.

BASIC FUNCTION: The Project Management Specialist (Food Security) will ensure effective management and targeting of FFP resources in Sudan. His/her primary responsibilities are to monitor food security, the need for international food assistance, and the effectiveness and quality of implementation of Title II-funded food aid programs in Sudan, and to prepare reports to inform the USAID Mission, FFP/Washington and the regional FFP Office in Nairobi.

QUALIFICATIONS REQUIRED:

NOTE: All applicants must document that addresses each selection criterion detailed below, providing specific and comprehensive information that supports his/her fulfillment of each item.

-- **Education:** Bachelor's degree is required in a field relevant to food security and food aid program management, such as agriculture, nutrition, international development or economics.

-- **Prior Work Experience:** At least five years of progressively increasing responsibility in food security assessment and humanitarian assistance, including experience working in Darfur and food aid. Related field work experience is required.

-- **Language Proficiency: (This will be tested)**

	Speaking	Reading	Writing
English:	Fluent	Fluent	Fluent
Arabic	Fluent	Fluent	Fluent

-- **Skills:**

- Competency in computer basic skills, to include knowledge of Microsoft Word and Excel, e-mail, and internet required. **(This will be tested)** competence in analytic packages desirable.

- Ability to review, evaluate and apply complex policies and regulations.
- Ability to provide rapid, concise, accurate reporting, both verbally and in writing.
- Ability to grasp and theorize the complexities of food security, the wide variety of dynamic, influencing factors and the potential influence of international food assistance.
- Experience collecting and analyzing qualitative and quantitative data to assess the complexity of factors contributing to of food security.
- Ability to work cooperatively in teams and multicultural environment.
- Willingness to regularly undertake extensive field work assignments for weeks at a time, often in austere conditions, spending approximately 50% of the time in Darfur
- Good interpersonal communication skills
- A solution-seeking attitude.

SELECTION CRITERIA

- Applicants must be eligible for employment under local labor law, i.e. must have a valid Sudanese work permit if applicable.
- Management will consider nepotism, conflict of interest, budget, and visa status in determining candidacy.
- Selected candidates must pass a pre-employment medical and security clearance prior to an offer of employment.
- When fully qualified, U.S. Citizens and U.S. Veterans are given preference
